

FOR PARTICIPATION IN: **ORILLIA TRIATHLON** on **August 19, 2018** – Orillia, ON, Canada (including related programs and/or multisport events ("Event").

READ THIS AGREEMENT CAREFULLY BEFORE SIGNING. THIS AGREEMENT HAS LEGAL CONSEQUENCES AND WILL AFFECT YOUR LEGAL RIGHTS AND WILL LIMIT OR ELIMINATE YOUR ABILITY TO BRING FUTURE LEGAL ACTIONS.

INTRODUCTION: I understand and acknowledge that by signing this Release And Waiver Of Liability, Assumption Of Risk And Indemnity Agreement ("Agreement"), that I am legally agreeing to the statements in this Agreement and that these statements are being accepted and relied upon by the Released Parties, as defined below. All adult participants, or the participant's legal guardian (for the participant and on his/her behalf), if applicable, must sign this Agreement. In consideration of being permitted by Trisport Events Inc. to participate in the Event, I acknowledge and agree as follows:

ACKNOWLEDGMENT AND ASSUMPTION OF RISKS

Trisport Events Inc. competitive events and other activities take place indoors or outdoors in various locations in the Canada and can include, but are not limited to: warm-up exercises; competitive swimming, cycling and running, both in practice and in the Event; demo-ing (trying out) gear; participation in clinics, training, demonstrations or other games and activities, attendance at any activities and traveling in planes, vans, buses or other vehicles to and from activities (the Event and other activities collectively referred to in this Agreement as "Activities"). Activities may be scheduled or unscheduled, mandatory or optional, structured or unstructured and include free time. I acknowledge that the inherent and other risks, hazards and dangers (collectively referred to in this Agreement as "risks") of these activities can cause injury, damage, death or other loss to participant or others. The following describes some, but not all of the inherent risks, as applicable to participant's activities:

Risks in any competitive or athletic activity. Training for, practicing or competing in triathlon or other events and associated swimming, cycling, running and other conditioning involves frequent and repetitive use of the arms and legs, extreme fitness and endurance, and pushing the limits of the participant's speed and abilities.

Risks present in an outdoor environment. Participants may be subject to: high altitude or mountainous terrain; severe storms or bad weather such as lightning, strong winds, rain, hail, snow and ice; fast moving or deep lakes, oceans or other water bodies; currents or whitewater; extremely hot or cold weather; stinging, venomous and/or disease carrying animals or insects and other natural or man-made hazards. Hazards (both on land and above and below water level) may not be marked or visible and weather is always unpredictable.

Risks involved in decision making and conduct. These risks include the risk that a Trisport Events Inc. staff member, representative, volunteer, contractor or co-participant may misjudge a participant's capabilities, health or physical condition, misjudge some aspect of instruction, medical treatment, weather, terrain, water level, or route location, or, that one of those persons may not warn participant (and/or participant's legal guardian) about one or more of the inherent risks of these activities.

Cycling, running and swimming risks. These risks include the risk of losing control or balance and falling from the bike, colliding with objects, people (including co-participants or spectators), tripping or falling down or encountering other road or trail hazards; being submerged underwater or drowning, or contact or collision with other swimmers, objects, marine life or the bottom of the water body.

Personal health and participation risks. The risk that a participant's mental, physical or emotional condition (including any use or abuse of alcohol or prescription or non-prescription drugs), whether disclosed or undisclosed, known or unknown, combined with participation in these activities could result in injury, damage, death or other loss. Although Trisport Events Inc. may review participant's medical information, submitted in the registration process, Trisport Events Inc. cannot anticipate or eliminate risks or complications posed by a participant's mental, physical (including fitness level) or emotional condition.

Risks connected with location. Activity location may cause or contribute to delays or difficulties in communication, transportation, evacuation or medical care.

Risks associated with premises. Ruts, holes, water sources, rocks, uneven ground or other conditions may exist in and around the activities.

Equipment risks. The risk that equipment used in activities may be misused, or may break, fail or malfunction. Participant (and/or the participant's legal guardian) assumes full responsibility for choosing appropriate equipment and for the fit and condition of the equipment. Trisport Events Inc. requires use of helmets for biking activities. Helmets or other safety gear may prevent or lessen injuries in some instances; however, use of safety gear is not a guarantee of safety, and injury can occur even with the use of this gear.

Supervision and activities risks. I understand that neither Trisport Events Inc. or its staff, representatives, volunteers, contractors or anyone associated with them will be supervising participant during the activities or at any time. Adult participant agrees he/she is solely responsible for his/her own well-being at all times; or, if applicable, a participant's legal guardian agrees to take sole responsibility for participant's supervision before, during and after the Event and other activities, including during free time and at all other times.

Risks regarding conduct. The potential that participant, co-participant/s and/or third party/s may act in a negligent or intentional manner.

These and other risks may result in participants: falling partway or falling to the ground; being struck; colliding with objects, people or the bottom of a lake or other water body; experiencing bicycle or vehicle collision or rollover; reacting to high altitudes, weather conditions or increased exertion; becoming lost or disoriented; suffering gastro-intestinal complications or allergic reactions or experiencing other problems. These and other circumstances may cause heat or cold related illnesses or conditions (including hypothermia, cold water immersion, frostbite, hyperthermia, or heat exhaustion/stroke); dehydration; hyponatremia; drowning; high altitude sickness; heart or lung complications; broken bones; paralysis or other permanent disability; mental or emotional trauma; concussions; sunburn or other burns or other injury, damage, death or loss -- before, during or even after the participant participates in the Event or other activities.

I understand and agree:

- I will review all materials received, accurately complete and agree to the registration information, documents and process, and obey all rules and policies. These rules and policies include any drug or doping control rules, Event Producer's and/or Triathlon Canada's Competition Rules, including CCES (Canadian Centre for Ethics in Sport) or WADA (World-Anti Doping Agency) Drug Testing Requirements included therein, and information in the athlete information guide, as they may be amended from time to time, and all traffic laws. I acknowledge that in order to participate in the Event, I must be a current or limited member of Triathlon Ontario (TO) or must purchase a one-day license from TO;
- my final acceptance and participation in the Event is contingent upon Trisport Events Inc.'s receipt and review of all required information and forms, including this Agreement;
- before participating in any activities, I may inspect the race course, facilities, equipment, and areas to be used, if I choose;
- to disclose any mental, physical or emotional condition/s and/or limitation/s which might affect my ability to participate (including any new or changed condition/s and/or limitation/s occurring between the time of my disclosure and my participation in the activities) and represent that I am fully capable of participating without causing harm to myself or others. I further agree that participating in these activities requires extreme fitness and endurance, that I am solely responsible for my conditioning and fitness before, during and after the activities, and that I, in conjunction with my physician, am responsible for determining whether these activities are appropriate for me, before I participate;
- Trisport Events Inc. contracts with individuals or organizations that are independent contractors (not its employees or agents) to provide some of the Event services and to conduct some of the activities participants will engage in. I acknowledge that Trisport Events Inc. does not supervise or control these independent contractors and is not legally liable or responsible for their conduct. In addition, activities take place on premises or at facilities not owned or controlled by Trisport Events Inc., and Trisport Events Inc. does not oversee or take responsibility for any aspect or condition of these independent facilities or premises;
- The information provided in this Agreement is not exhaustive, other unknown or unanticipated activities, inherent or other risks and outcomes may exist, and Trisport Events Inc. cannot assure my safety or eliminate any of the risks. Trisport Events Inc. representatives are available should I have further questions about these activities or the associated risks;
- I am voluntarily participating with knowledge of the risks. Therefore, I assume and accept full responsibility for myself, for the inherent and other risks (both known and unknown) of the activities, and for any injury, damage, death or other loss I may suffer, resulting from those inherent and other risks, including but not limited to the risk of my, a co-participant's, a Released Party's, a spectator's, a volunteer and/or a third party's passive or active negligence or other misconduct.
