BILD Alberta Conference

Fairmont *Banff Springs* Hotel

Exhibitor Package

About the Conference

The BILD Alberta conference brings together more than 400 industry leaders from home building, land development, renovating, skilled trades and industry partners to learn, network and celebrate.

This conference offers a secluded setting in the heart of the mountains, allowing for a unique opportunity to engage with a captive audience to maximize your brand awareness amongst industry decision-makers.

The BILD Alberta Conference is a unique opportunity to connect with builders, developers and renovators from across Alberta all in one place. The conference venue makes the exhibitions an integral part of the event by bringing exhibitors and participants together just outside of the main ballroom.

Between breakfast and sessions, everyone always reconnects in the exhibitor hall. We will continue to offer lunch seating for attendees on the exhibition floor to increase the traffic flow to your exhibition stand. The opportunities to make new connections continues throughout the event with each exhibitor receiving access to the full conference. Make the most out of exhibiting by attending all the conference events.

Don't miss exhibiting at the BILD Alberta Conference to position your company among the foremost organizations in the residential construction industry. Not to mention this once-a-year event gives you the opportunity to see your competitors and industry trends.

We'd be happy to discuss exhibiting or any sponsorship opportunities with you. Contact us with any questions and we look forward to seeing you at the BILD Alberta conference.
