Announcing 2019 BILD Alberta Award Winners

BILD Alberta is pleased to announce the winners of the annual BILD Alberta Awards, presented by The Alberta New Home Warranty Program. The awards were presented on September 13 at BILD Alberta’s *BILD Horizons Conference*, held at the Fairmont Jasper Park Lodge.

“Winners of the BILD Alberta Awards showcase the best our province has to offer in all areas of our industry, including innovation, design and creativity,” said Steve Bontje, Chair, BILD Alberta. “We are proud to celebrate the accomplishments within the housing sector, despite the challenges it faced this year. Thank you to our judges and all the sponsors who make the awards possible.”

Awards were presented in 32 categories to Alberta’s top home builders, renovators and developers. Edmonton Region members won in 15 categories, Calgary Region members claimed eight awards, Lethbridge members won in five categories, and three winners belong to Central Alberta.

The Pinnacle Awards were presented to the highest scoring renovator and home builders in the small-volume, large-volume and multi-family categories. Pinnacle Award winners have demonstrated excellence and leadership in design, safety, volunteerism and customer satisfaction.
