

Come play ball at Historic Chantry Field! Home to baseball since 1901!

Little League Baseball is all about fun, fitness and fundamentals!

Established in 1901, Chanty Field is tucked away in a quant neighborhood in Newcastle. Many don't even know it is there, but this is a field that all Little League players love to play on and where family & friends love to spend their days watching baseball. This is a place of baseball but also a true community! Your little ball players can play from T-Ball through Majors here on our field! Sign up today!

Spring registration is now open!
