## Loomis Basin Charter School

DEAR FRIENDS AND FAMILY OF LBCS,

LBCS is in our 12<sup>th</sup> year. We are an accredited IB World School. We serve Primary years and Middle years. We are one of the few schools in California to offer these educational programs.

Our IB program teaches students to relate classroom experience to the world around us and focuses on developing critical and compassionate thinkers. Our program inspires student-initiated action and community service.

We are excited to bring the Roaring 20's back in our auction. The auction allows us to raise funds so that we can offer an enrichment and outstanding learning experience for every student at LBCS.

The auction is our largest fundraiser of the year. The funds from past auctions have been able to fund our Monart art program, PE program, Science lab, and purchase computers for the classrooms.

We invite you to get involved in this year's auction. We are looking for donations of cash, merchandise, event tickets, vacation rentals, or services to be featured as auction or raffle items or to support the event.

**For your donation** your business will be featured at our auction and your business will be highlighted in our LBCS newsletter.

Thank you for your kind consideration of our request. LBCS PTC is a 501(C)3 non-profit organization. The entire donation is tax deductible.

Thank you again for your support in offering an enriched and outstanding learning experience for LBCS students.

# Loomis Basin Charter School
