Session Name		Cost: \$110.00 Time: 3:10 pm to 4:40 pm Day: Fridays (5 Weeks)				Age	Link to Register
Lego® Robotics Marine Bots	18-Oct	8-Nov	15-Nov	6-Dec	13-Dec	5 to 12	https://gal.re/V5XPzihmqY

LEGO® ROBOTICS MARINE BOTS

Build a submarine or a crab boat, sea lion or a sea gull in our Lego® Robotics Marine Bots class! In this class, kids explore marine animals and machines while building working models with their favorite, medium LEGOs®. Students will also program the models to give life to their creations while learning concepts like tilt sensors, motion sensors, pulleys, gears, rack and pinions, and more.

(Please note: IntelliBricks will provide all LEGO® and touch screen computers for the class. Children cannot take home any of their creations or LEGO® products. LEGO® group of companies does not sponsor, authorize or endorse any of our programs.)

5% off multiple registrations and sibling discount!

To register visit www.intellibricks.org

As the space is limited we don't encourage registration by mail. Please call or email if you don't prefer online registration. Questions or comments? Email info@intellibricks.org or call 916-577-5115
