

Middle Years Program -

EXPLORATORY DONATION

The MYP believes that developing whole student is essential. The core subjects including Design, Music, PE, and Art, are integral in achieving this goal. Another opportunity MYP students have to learn and grow is through the Exploratory Classes offered each Friday afternoon. These classes include options such as cooking, yoga, improv, sports, 3D printing, and more!

In order to fund these classes, MYP families are asked to donate \$75.00 per semester or \$150.00 for the whole year.

Please make your donation thru the PTC webstore www.lbcswebstore.com
