Vida

ADOPT *a family*

This Christmas season, Vida Church Partners have a special opportunity to share the love of Christ with local families in need through Vida's Adopt-A-Family program.

HOW IT WORKS

Step 1: Adopt

We invite your church to prayerfully consider choosing one or more of our Vida families to support. If you are interested in participating, please **contact Tracey by October 8** (contact information below).

Step 2: Collect

Participating Vida families will provide a list of their material needs that will guide your congregation as you invite them to give. To collect items, you may host a donation drive or assign specific lists to small groups within your church.

Step 3: Deliver

All donations should be delivered **to Vida the week of November 16**. Contact Tracey to schedule a date, time, and drop-off location.

TAKE THE NEXT STEP

Adopt-A-Family signup is **now open** for Church Partners! **If you're interested in getting involved, please contact Tracey by October 8 with the number of families you intend to adopt.**

Church Partners that sign up before October 8 may have the opportunity to receive material lists from their adopted families in advance, allowing additional time for donation collection!

We look forward to partnering with you this Christmas season!
