

How to do “Virtual Church” at RUCC

Sunday Worship Service

- At 10:30 am on Sundays the worship video will premiere on our YouTube channel at www.youtube.com/RedlandsUCC.
- Everyone can chat right on YouTube as the video premieres (if you are signed in to YouTube). This is simplest and easiest for everyone. Note that the YouTube chat is public, so we want to be cautious about posting things that are too personal or sensitive.
- If you just wish to watch, and not chat, the YouTube channel is also on the front page of our website at www.uccredlands.org.
- Following worship we have an hour of fellowship time on Zoom, hosted by Jill. More private concerns can be shared there. The Zoom meeting link is <https://zoom.us/j/717827959>.

More hints for YouTube:

Tired of watching services on your tablet, smart phone or other smaller device? You may also watch on your television! Here's how:

1. Your TV is a “smart” TV, and it has a YouTube app built into it. Open the app and search for “RedlandsUCC” to find our channel.
2. You have a smart device connected to your TV that has a YouTube app built into it. Could be an AppleTV, Roku, Amazon Firestick, or even a DVD player. Find the app and search for “RedlandsUCC.”
3. Your TV isn’t so smart, but it has an extra input for an HDMI cable. Connect a cable from there to your laptop (or your phone or tablet with the right adapter), and your TV will become the world’s biggest second monitor. Then just go to YouTube on your laptop and show it on the TV.
