

Please note that any brand suggestions and web links are just that, suggestions. Any Toddler bed is fine, so long as it is either new or gently used condition and CLEAN! They can't take anything that isn't clean and in gifting condition. So people can either click on the links and buy the direct item (or buy from another website of choosing) and have it shipped to:

Women of Faith Interfaith Service Community
31838 Florida Avenue
Mentone, CA 92359

You may also purchase or donate from home a gently used like item from the list and bring it to the donation drive on Sunday 21st November in Covenant hall. We won't be able to accept things that aren't directly on the list, not because we don't appreciate the generosity but because they just have limited space and these are the things they are running particularly short on/in need of. Items marked * are in particularly short supply.

***Gift Cards – Staters, Walmart, Target**

(The main purpose for these gift cards is for emergency food. It can take up to three weeks for EBT to take effect. We have resources for food from which they can choose to tide them over, but it is not always immediately available. Being able to immediately go shopping for what they need is a necessity.)
