Have a seat at the table to end hunger

The **Empty Bowls Dinner** is the Franklin Food Pantry's signature fundraising event to raise awareness about hunger and help feed those in need in our community. The annual event is held in partnership with the **Franklin High School Empty Bowls Club**. A caring community comes together to share in a simple meal of soup and bread while learning about the true level of hunger in our own backyard. Nearly 1,000 individuals count on the Pantry regularly for food assistance.

The **3rd Annual Empty Bowls Dinner** will be held on **May 1, 2018**. Dinner guests enjoy a simple meal while participating in activities to support the Pantry and learn about the impact of hunger. Each guest selects a hand-painted ceramic bowl to take home as a reminder that **"somewhere, someone's bowl is empty."** Participants can bid on beautiful ceramic pieces through a **Silent Auction**. Guests can make a donation via the **Giving Wall** to help buy groceries for Pantry clients. The 2017 dinner sold **250 tickets** and raised more than \$6,500 for the Pantry!

"Thank you for the great work, great message, and sense of community. It was beautiful to witness. And I love my new bowl!"

Jeff Roy, State Representative

About the Franklin High School Empty Bowls Club

Empty Bowls Club members spearhead the creation of the ceramic bowls throughout the year. They make bowls themselves, collaborate with other Franklin schools, and sponsor bowl-making events for the community. Club members volunteer at the dinner event, **serving the soup in a "soup-kitchen" style venue**. It is a heartwarming experience to see these impressive young people so engaged with our community in such a worthwhile cause. *The Empty Bowls Club has been sponsored by the Franklin Cultural Council.*
