

Adopt a WNC School

The NC Coalition for Charter Schools is joining the NC Association for Public Charter schools in its Adopt a WNC School Initiative. There are 20 charter schools in WNC and they all need our support!

We are looking for schools and organizations to adopt WNC Charter Schools. Adopters will be paired with a school and given a list of items the school has requested. Adopters will be responsible for getting their donated items to their adopted school.

If you would like to "Adopt" a WNC charter school, please let us know by filling out the attached form.
