

# CLASSROOM NEWSLETTER

2/13/2026

## Look What We Learned

### Math

We looked more deeply at multiplying fractions, focusing on modeling multiplication problems using a variety of strategies. Students are strengthening their conceptual understanding by showing their thinking in multiple ways.

### Reading

Students continued working on their newspaper projects and read a pivotal chapter in our novel. Our discussions are becoming richer as we explore important moments in the story together.

### ELA

We began planning and drafting our informative essays on sharks. It has been so fun to explore these fascinating sea creatures as a class while building our writing skills step by step.

### Religion

We finished our monstration project and began discussing Jesus' divinity, especially as it is revealed through the miracles in His ministry.

### Social Studies

We continued studying states and capitals, practicing recall and strengthening our geography skills.

## Important Dates

- 2/16- No School (Presidents' Day)
- 2/18- Ash Wednesday- Soup & Bread Supper @ 7pm
- 2/20- 8<sup>th</sup> Grade Musical
- 3/6- End of Q3

## Reminders

### • Cold Weather Reminder

As temperatures continue to drop, please make sure students are coming to school with **coats** and warm layers. We go outside for recess whenever possible, and it's important that everyone is bundled up and comfortable while enjoying the fresh air.
