Field Day - Friday May 16th
1:00 pm Dismissal
No Extended Care

Our goal is to make the day fun, inclusive, and memorable for all students. To that end, we're refreshing a few aspects of Field Day to promote leadership, teamwork, and celebration.

What's Changing:

- **Student Leadership Focus:** This year, we're proud to introduce a student-led format! Our 8th graders will lead the activity stations, while 7th graders will serve as team "coaches"—motivating and supporting their peers throughout the day. This shift gives students meaningful leadership roles and helps them contribute to the day's success.
- **New Rotations & Challenges:** We're adding new, creative activities—from water relays to bounce houses to team-based problem-solving games—while keeping some traditional favorites. These rotations are designed to encourage movement, collaboration, and lots of smiles.
- **Celebration Over Competition:** While friendly games remain, the emphasis is shifting from prizes to recognizing effort, spirit, and participation—reflecting *The Warrior Way*! Everyone's contribution matters.

Lunch / Snack: A sack lunch will be available for purchase from the cafeteria on Field Day or students can bring their lunch from home. **Home lunches should be in something that can be thrown away.** Every student will receive a refreshing treat at one station during the morning – no need to bring money.

How You Can Help: While I won't be asking parents to run stations this year, I would still love to have you join us as spectators and cheerleaders! Your presence adds so much energy and joy to the day. I feel this allows you to truly be a part of your child's day without the stress of being responsible for a station.

**Field Day is scheduled for May 16, 2025, with a Superhero theme
a fun way to celebrate the everyday heroes in all of us!**

- Students should wear their Field Day/Walkathon t-shirts, school-appropriate shorts or sweats and sneakers. Please bring a water bottle. Because of some water activities, students may want to bring an extra set of clothes. Students may also wear a Superhero cape or accessories (no weapons, please) – Label with their name; they are responsible for keeping track of their items throughout the day.
- **Please apply sunscreen at home** before school. Students will be outside for extended periods, and we want everyone to stay safe and comfortable.
- **In case of inclement weather,** information about a Rain Out plan will be communicated in advance to homeroom teachers. We will enjoy modified activities, but we will not reschedule our day. The first Field Day event will begin at 8:30am and end at 11:00am. Lunch will be from 11:10-11:50 with the 7th Grade Kickball game starting at 11:55am.
- **Dismissal is at 1:00pm with No Extended Care.**

As this will be my first Field Day at SMS, I'm truly looking forward to making it a fun, uplifting day with your support. Thank you for helping us create a Field Day that celebrates leadership, community, and joy for every student.

Miss Sawyer
Physical Education Teacher

Mrs. Stephanie Mills and Mrs. Jeanna Greene recently completed a year-long Teacher Renewal Fellowship with Indiana Educator Fellowships. This program is designed to allow teachers to explore a proven education ideology; observe teaching tools in action; gain practical tools and resources; learn to create a joy-filled classroom; engage in meaningful dialogue with peers; and have time to reflect on best practices.

From Stephanie: TRF gave me the opportunity to reflect on my classroom practices and how I can best support SMS students. I gained valuable insight into the power of habits and how consistent routines can positively shape the learning environment. My hope is to introduce these habits school-wide, starting with a strong foundation in Pre-K.

From Jeanna: Teacher Renewal was a true time of reflection and came at a perfect time for me as I transitioned from being a 4th grade homeroom teacher to a resource teacher. I really enjoyed learning about habits that will help students find success here in the school setting and in their future outside of the classroom, and I hope to help implement those characteristics here at St. Matthew over time.

Fifth grade participated in mock papal conclaves with Miss McAllister last week!
