Look What We Learned

Math

This week in math, students worked with mixed numbers, practicing how to convert improper fractions into mixed numbers after adding. We are building confidence with fractions step by step.

Reading

We continued our novel study, taking a closer look at figurative language and how the author uses it to add meaning and emotion to the text.

ELA

Students practiced their Unit 5 vocabulary words in preparation for next week's quiz, focusing on understanding and using each word correctly.

Religion

We continued our study of vocations, learning about the different roles of Catholic deacons, priests, bishops, and the pope, and how each serves the Church in a unique way.

Science

We continued learning about the plant life cycle and plant growth, exploring the stages plants go through from seed to maturity and discussing what plants need to grow and thrive.

Important Dates

- **1/26-1/30- Catholic Schools Week**
- **1/27- Talent Show @1:15**
- **2/12- Warrior Showcase @6:00-7:00**

Reminders

Cold Weather Reminder

As temperatures continue to drop, please make sure students are coming to school with **coats** and warm layers. We go outside for recess whenever possible, and it's important that everyone is bundled up and comfortable while enjoying the fresh air.
