## This Week

W was a fun week! Weather, worms, whales, some things we explored. We had a crazy twist of weather this week, but we made the most of it. Our friend Luke the Leprechaun left, his note said he had to get back to Ireland. He was super nice and left us all a gold coin and a necklace.

On Wednesday we explored worms- yep real live ones. We have made some worm homes and we are hoping when we return from spring break, we will be able to see their tunnels.

We are still working hard on our good deeds stain glass- they are starting to take shape and be filled with all kinds of color.

Enjoy your spring break!

When we return, we will be exploring Holy Week and Easter.

## Highlights for the week

**Monday-** we read What's the weather, made W is for weather, practice writing the letter W, and learned how God made weather.

**Tuesday-** we read The Leprechauns Gold. painted with shamrocks shapes, dressed up with Saint Patrick's Day gear, counted gold coins to put in our pot of gold.

**Wednesday-** we read Wonderful Worms, painted with worms (cooked spaghetti), painted with watercolors, and made worm habitats, went to music, and sorted lucky charms with our 3<sup>rd</sup> grade buddies.

**Thursday-** we read Wimberly Worried, made a blue whale, explored what wind can blow, and pin poked letter W.

**Friday-** Happy Spring Break
