This Week

This week was just wonderful! Letter J- and number 10. 10 is our first double digit number! J is for Jesus, jellybeans, jungle, jelly, jam, jump, jewels, just to name a few.

We had rice, jewels, and tongs in the sensory table. We practiced using the tongs to pick up the jewel's out of the rice.

We will not have a letter next week with it being a short week. We will use Monday and Tuesday to do some review. Next week we will also talk about thanksgiving and what we are thankful for.

Happy Thanksgiving to you all- enjoy your time with family.
