

Jumpin' for Jack's Class News

1/12-1/16

From Ms. Jack

It's been a great week in Third Grade! Students have been hard at work with their iLearn checkpoints, making fraction flipbooks and math snowmen that are decorating our hallway!

Our Learning This Week

Reading: Students have really enjoyed learning about "Who Was Theodore Roosevelt" this week, learning many interesting facts.

Math: In math our focus has been on reviewing fractions, word problems, time, and money to help us prepare for the iLearn checkpoint.

Religion: We talked this week about how God keeps his promises. Mrs. Sheehan's class practiced our mass participation which will be on January 21st. Ms. Jack's class will participate in mass on February 4th. **The Apostles' Creed is our prayer to memorize for January/February (Due: February 27th). This prayer is long, so there is ample time for students to successfully memorize the prayer!** If you have any further questions, please contact me. msheehan@saintmatt.org.

Social Studies: We talked about the influence that technology has on businesses today and the impact that it has on our economy. Students began working on the rough draft of their project as well which is to create a flyer for their own shop. If you have any questions, please contact me: tjack@saintmatt.org

Upcoming Events

1/21 at 8:15 am, before Mass– Honor Roll Awards & Outstanding Warriors

Important Reminders

With winter weather upon us, please be sure students bring appropriate outdoor winter attire to school everyday.
