Meet our Artist/Presenter Mandi Voegele...

"I began painting with watercolor in January 2021 after being inspired with random pins on Pinterest. I never considered myself an artist in any way but at 47 years old wanted to give this a try and needless to say, I loved it! It was definitely a gift that arose in God's timing!

Be Still & Know Watercolor Art was founded in October 2022. It started with all occasion greeting cards and I have since added bookmarks, calendars, and larger framed art. I am excited to announce that I just finished illustrating a children's book called If Only I Could by Hoosier Author Katie Irk. The book was released in late Fall of 2024 and is available for purchase on my website. (see below).

Besides painting I love to cook, "glamp," vacation to tropical areas and spend time family. My husband Doug and I have a blended family of seven adult children and we are blessed to have ten grandchildren. I also work full time as a registered nurse.

I am a devout Catholic and feel the Lord has called me to this and I love sharing my art with others."
