February 9-13

From the Teachers

Dear 2nd Grade Families,
There will be no book club bags coming home this week. We want to give students time to work on their valentines and reading logs that are due on Friday. Students will be presenting with their group, one of the previous Fairytale Reader's Theater, to the class on Thursday. Spelling list will go home this week, but the test will not be until next Friday, 2/20. Have a great week. Let us know if you have any questions.
