

Jumpin' for Jack's Class News

April 13-17

From Ms. Jack

Students have been focused and hard at work this week. We have two more days of I-Learn testing next week. Thank you all for your continued support of your students during this testing time.

Upcoming Events

4/29: Walk-a-thon

Our Learning This Week

Reading: We read *Cloudy with a Chance of Meatballs* this week. Students were very engaged in this story and practiced identifying key details, making predictions, and discussing how the setting changes throughout the text. Students also had fun imagining their own creative weather forecasts and sharing their ideas with the class.

Math: Continued building their understanding of measurement and time, practicing how to read clocks and solve real-world problems involving elapsed time,

Science: Students did a great job using clues to identify different types of animals and then classifying them into groups based off their characteristics.

Religion: We will not meet formally for class because of ILEARN testing in the afternoon. There will be graded assignments for students to do for morning work. **The memorization of the Stations of the Cross will be our focus for March/April (Due: April 30th). There are quite a few stations, so there is ample time for students to successfully memorize!** If you have any further questions, please contact

msheehan@saintmatt.org

Important Reminders

Please make sure students are getting lots of sleep, eating a good breakfast, and getting to school on time for I-Learn testing.

Our Learning This Week Continued

Social Studies: Due to I-Learn we will not meet formally for class this week. There will be graded assignments for students to do for morning work.
