Look What We Learned

Math

We continued practicing dividing fractions and were introduced to mean, median, and mode. We will continue working with these concepts after break to build a deeper understanding.

Reading

We finished our Fish in a Tree novel study. Students truly enjoyed the story and did a fantastic job analyzing characters, themes, and key events.

ELA

Students completed their informative rough drafts on sharks. I am so impressed with their determination and effort. Each student has worked hard to grow as a writer throughout this unit.

Religion

We discussed the corporal works of mercy and how we can live them out as fifth graders through our actions and choices each day.

Science

We continued our study of biomes, learning more about the different environments around the world and what makes each one unique.

Important Dates

- 3/20-3/27- Spring Break
- 4/3- 1pm dismissal- Good Friday
- 4/6- No School- Easter Monday
