Look What We Learned

Math

We reviewed all of our decimal operations and were introduced to decimal division. Students are doing a great job applying their understanding as we move into more complex skills.

Reading

Our Fish in a Tree novel study continued, and the students are finding the story highly engaging. They are making insightful observations about the characters and themes as we read.

ELA

We wrapped up our Unit 4 vocabulary and focused on completing the final drafts of our narrative stories. Students have grown so much as writers during this process!

Religion

We were introduced to the early New Testament and explored the Immaculate Conception, the Annunciation, and the Visitation. These stories help us prepare our hearts during Advent.

Social Studies

We began looking at the 50 states as we move into geography practice and map skills.

Important Dates

- 12/19- Early Dismissal @1pm
- 12/19- End of Quarter 2
- 12/20-1/4- Christmas Break
- 1/14- Early Dismissal @1pm

Reminders

• Cold Weather Reminder

As temperatures continue to drop, please make sure students are coming to school with **coats** and warm layers. We go outside for recess whenever possible, and it's important that everyone is bundled up and comfortable while enjoying the fresh air.
