

# The Sheehan Scoop

Friday, April 17, 2026

**Reminder! The week of April 20<sup>th</sup> we will test Math Monday and Tuesday 12:15 to about 1:15. The days we do not test will be make up days for any students that missed testing. Please DO NOT schedule appointments during testing.**

The PFA Walk-a-thon is Wednesday, April 29<sup>th</sup>. Help us reach our fundraising goal of \$20,000 - one of our biggest efforts of the year. All funds raised will go directly toward important school improvements. Thank you to everyone who has already registered. We are already receiving pledges!

Register today: <https://stmatthew.pledgestar.com>

Language Arts: This week we read "Cloudy with a Chance of Meatballs" out of our "big book" and viewed the movie to compare the two versions. Next week we will begin reading Lunch Money by Andrew Clements. This book will take us to the end of the school year.

**\*No NEW Spelling for next week due to testing!**

Math: We continued this week with Unit 12: Measurement and Data. This unit covers a lot of different skills. This week there was a skill focus of telling time with an analog clock to the nearest minute. This proved to be challenging for many students. Next week we will work on measuring with rulers to the nearest half and fourth of an inch. **\*Please put the multiplication and division flashcards to use! \*\*Ask your child to read an analog clock!**

Social Studies: We will not meet formally for class because of ILEARN testing in the afternoon. There will be graded assignments for students to do for morning work. If you have any social studies questions, please email Ms. Jack at [tjack@saintmatt.org](mailto:tjack@saintmatt.org).

Science: Students continued Rocks and Mineral studies through a "Birthstone Brochure" project. This project will be worked on during class time.

Religion: We will not meet formally for class because of ILEARN testing in the afternoon. There will be graded assignments for students to do for morning work. **The memorization of the Stations of the Cross will be our focus for March/April (Due: April 30th). There are quite a few stations, so there is ample time for students to successfully memorize!** If you have any further questions, please contact me. [msheehan@saintmatt.org](mailto:msheehan@saintmatt.org).

**\*\*Our school family attends Mass most Wednesdays beginning at 8:30am! \*\***

## St. Matthew Weekend Mass Schedule
