Look What We Learned

Math

We collected categorical data from fifth grade classes and created our own bar graph posters. Everyone did an awesome job gathering information, organizing data, and presenting it creatively!

Reading

We are nearing the end of Brian's journey in Hatchet and are eagerly anticipating the conclusion of our novel. Students have remained incredibly engaged in the story and Brian's growth throughout his adventure.

ELA

We continued our poetry studies and were introduced to Unit 8 vocabulary words. Students are continuing to grow in both creativity and language skills.

Religion

We began exploring the Holy Spirit and the Seven Gifts of the Holy Spirit, discussing how these gifts help us become more virtuous and holy people.

Social Studies

We are continuing to solidify our knowledge of states and capitals, practicing recall and strengthening geography skills as we close out the year.

Important Dates

- **5/15- Field Day (1pm dismissal)**
- **5/20- School Awards Ceremony in the Church (@9:30)**
