## What A Week

This week, we had a wonderful time exploring the story of Noah's Ark and learning about God's promise to always keep us safe. We also talked about how God loves each of us just the way we are. We spent time discussing how special and unique our families are. Every family looks a little different, but each one is a gift. We also talked about our school family—our class! Just like a family, we support each other and grow together as we learn and explore new things.

Next week, we'll begin our journey through the alphabet with our first letter of the week: **Letter A!** **Reminder:** On **Friday (September 5th)**, your child may bring one item that starts with the letter **A** for **Show and Tell**. Please make sure the item:

- Starts with the letter A
- Fits inside your child's backpack
- Is just one item to share

Please leave the item in your child's backpack on Friday morning—we'll take them out during class when it's time to share.
