

MAY NEWS 2026

Hello Families! We are wrapping up the last week of April so I thought I would send an early edition newsletter. Happy almost May! This week we will be planting and (hopefully) sending home our baby spider plants. We have had a great time learning about our plants, how they sprout, and taking care of them. I'd like to give a special shout out to my mom, Carol Fite who donated the pots to our class to paint and plant our sprouts. She is a master gardener and her love for plants has shined through me to share with our wonderful class!

In this very short time we have left together, we will discuss our Mother's, get a preview of the pre K classrooms, enjoy playing outside, and saying goodbye to our friends.

Wednesday, April 29th we will have a modified version of walk-a-thon. We will be getting t-shirts and will take a lap or two around the school. We will have some music and dancing too!

YOU'RE INVITED TO OUR END-OF-YEAR ICE CREAM SUNDAE PARTY!

Let's celebrate a fantastic school year together with an ice cream sundae party! Parents and siblings are warmly invited to join us at the outdoor shelter for a special gathering in honor of our amazing year—and the BEST class ever!

We understand this takes place mid-day, which may be tricky for some families with children who stay all day. Please know you are welcome to come if you're able—and if not, we completely understand!

Event Details:

 **Thursday, May 14**

 **11:15 AM**

 **Outdoor shelter on the northeast corner of campus**

Directions:

Please park in the front. You can walk around the church, past the rectory, continue past our little playground, then turn right onto the gravel path and follow it to the shelter.

We'll enjoy ice cream sundaes, a bit of playtime on the playground, and wrap up around **12:00 PM**. For students staying for the extended day, we'll head back inside after the party and follow our regular dismissal at **2:45 PM**.

If you'd like to donate something for the ice cream party, please check out the list and let me know what you can bring. Thank you so much—we appreciate your support!

- 1 jar of Sprinkles*
- 1 bag of another topping of your choice*
- 1 bag of another topping of your choice*
- 1 bottle of chocolate syrup*
- 1 can of whipped cream*

Thank you 😊

NOTABLE DATES THIS MONTH:

- Wed. April 29th- Walk-a-thon (Preschool will walk early as a class, the remainder of the school walks at 1:45PM)
- Wed. May 6th- Brief visit with the pre K classrooms. (Tour and q&a with the class and teachers)
- Thurs. May 7th- Music with Ms. Michelle
- Tues. May 12- Outside Day- we will spend most of our day outside playing and doing outside activities. Please wear sunscreen! (If the weather is stormy we will move to Wed. May 13th)
- Thurs. May 14th- LAST DAY OF SCHOOL and Ice Cream Sundae Party @11:15 AM- Outdoor Shelter.

What an amazing year it has been, filled with so many blessings! I want to thank you from the bottom of my heart for the privilege of being part of your child's life this year. Spending time with your children has brought me so much JOY, and I will truly miss them. This class has grown in so many ways, and they are ready for Pre-K! It has been a wonderful year with an incredible group of students and families. I feel so blessed and grateful that you chose our program to help your child learn and grow.

I'm excited that I'll still get to check in on all of my little friends next school year — from time to time, I have the opportunity to sub in the Pre-K classrooms! It has been such a gift to work alongside Ms. Yeadon and Mrs. Keating; they have been exceptional partners, and I deeply appreciate their hard work and the endless love they both share with the children.

Wishing you all a wonderful summer filled with joy! I hope to see you around — sending you lots of love and light!

 Mrs. Teeple
