

PRE-K NEWS

Mrs. Cuniffe's Classroom News!

April 14th-18th

This Week

We've had a wonderful week exploring the Easter story together. We began with Palm Sunday, discussing how it marks the start of Holy Week. We created palm branches.

Throughout the week, we delved into our Resurrection Eggs. Each egg held a special symbol representing a part of the Easter story, helping us see and hear the events leading up to Jesus' resurrection. Ask your child about the items they discovered inside—I'm sure they'll be eager to share!

On Wednesday, we reflected on how the rising sun each day signifies a new beginning, just as Easter reminds us of renewal and hope. We also discussed how eggs symbolize new life, with chicks hatching as a representation of rebirth.

was particularly meaningful as we visited the church to walk the Stations of the Cross. The children learned about Jesus' journey and the immense love He showed through His sacrifices for us.

Wishing you all a joyful and blessed Easter!

Next week, we'll return on Tuesday to focus on Earth Day and the importance of keeping our planet healthy.

Important Dates

April 18th- 1pm dismissal- NO EXTENDED CARE

April 21st- No School Easter Monday

May 7th- Mother's Day Celebration- 1:30- more details come all moms are invited.

Highlights for the week

Monday- we read A Palm Sunday Story, colored palm leaves, did an egg letter hunt, explored eggs and grass in the sensory table.

Tuesday- we read Looking for Easter, did an egg and chick art, matched colors and sorted colors, created a bunny.

Wednesday- we read Turkey's Eggcellent Easter, painted an egg with watercolors, did a number draw, colored a beautiful sun- each day is a new start.

Thursday- we read He Is Risen, Walked the stations of the cross, marble painted a bunny, did a bunny seek-and-find.

Friday- we read The night before Easter, d he is risen craft, hammered nails (golf tee's), hunted easter eggs!
