

Jumpin' for Jack's Class News

February 2-6

From Ms. Jack

Due to my absence on Thursday and an unexpected absence on Friday, we will be catching up on a few learning activities this week. Thank you for your flexibility and support as we get back into our routine together. I'm so glad to be back with our class and look forward to a focused and productive week of learning ahead!

Our Learning This Week

Reading: This week in reading students practiced strengthening their reading comprehension skills by identifying main ideas and key details.

Math: We wrapped up Unit 8 on equivalent fractions and will be review for the test next week. Students are really understanding the concept especially with the help of visuals such as manipulatives and number lines.

Religion: Ms. Jack's class did an awesome job with Wednesday's mass! 😊 Both classes began Chapter 7: God is Powerful and Loving. Lent is right around the corner, and we will begin to prepare for the 40 days leading up to Easter. **The Apostles' Creed is our prayer to memorize for January/February (Due: February 27th). This prayer is long, so there is ample time for students to successfully memorize the prayer!** If you have any further questions, please contact me. msheehan@saintmatt.org.

Social Studies: We began our journey into understanding the U.S. Government by discussing what students think the government does and why.

Upcoming Events

2/12 Class Valentines Day Party 9:30-11:00am

2/12 Warrior Showcase 6-7pm

2/13: Fund-a-Friend for Blood Cancer United

Important Reminders

Many students are on the last pages of their writing notebooks. If possible, please send in a new one in the next week or two.

Our Learning Continued

Science: Plants- identifying parts, environments, what they need to thrive, and discussing life-cycles.

Monday 2/9
