Six Steps for Enrolling With Us

Our enrollment process is designed to not only ensure we have the information to understand the needs of your child but to also ensure our Christian culture is a fit for you and your family and one in which your child will flourish.

*Please note: The turn-time of enrollment confirmation is dependent on your full completion of the steps below. And if you have any questions, we're here to help!

1

Online Application

Please complete in full the enrollment application available on our website at www.saintmatt.org or by scanning this code on your smart phone.

2

Records Review

Please provide the following school records from the previous three years: attendance, discipline, report cards, IEP/ISP (if applicable), and test scores. These are easily obtained by requesting from your child's previous school.

3

Parent Tour

We look forward to meeting you and showing you our school! Please call to schedule a tour. This step may already be completed if you have attended an Open House event.

4

Student Shadow Day

This important step allows your child to spend a day with us. He or she will be paired with a buddy of the same age and spend the day engaging in all of the daily classroom activities.

5

Teacher Recommendation Form

A teacher recommendation from your child's previous school is needed. Please provide us with the name and school email address of a teacher who knows your child well, and we will reach out to connect.

6

Family Meeting with Principal or School Representative

As a final step, a meeting is held to share more about the culture and expectations of St. Matthew, to answer any questions you may have, and to discuss any final details in enrollment. Once your child's enrollment is accepted, a \$100 registration fee (paid online) is required per student and is non-refundable.
