Look What We Learned

Math

We continued advancing in multiplication of whole numbers, moving up to two-digit by three-digit problems. Along with computation, we focused on applying these skills to problem-solving word problems.

Reading

Our novel study continued, and we introduced the concept of foreshadowing. Students looked for clues in the text that hint at events to come.

ELA

We began Unit 3 vocabulary words and also introduced narrative prewriting. Students started planning ideas and organizing thoughts for their own stories.

Religion

In honor of their feast days, we discussed archangels and guardian angels. Students enjoyed learning more about how angels guide and protect us.

Social Studies

We continued our government unit and wrapped up the week with a quiz. Students did a great job showing what they've learned so far.

Important Dates

- **10/6- Uniform Required**
- **10/10- End of First Quarter**
- **10/13 - 10/17- Fall Break**
- **10/24- PFA Chili Supper**

Reminders

- Monday, October 6 – School Uniform Required. Non-uniform passes will not be accepted.
 - A photographer will be on campus to take photos to update our school website, and it's important that everyone is properly dressed in uniform. Thank you!
