

Jumpin' For Jack's Class News

March 9-13

From Ms. Jack

It's hard to believe we are in quarter 4! Students continue to show up and work hard to build a classroom community as well as on their academics. It has been an amazing year and I cannot wait to finish strong!

Our Learning This Week

Reading: We wrapped up our book study of Who Was Jackie Robinson? And learned about Jackie's lasting impact on baseball and the important role he played in breaking barriers and promoting equality.

Math: We continued to strengthen our skills practicing different strategies to find the space inside of shapes and the distance around them.

Religion: This week we focused on week #4 of Lent. We spent part of Thursday's class in Adoration (thank you to our St. Matthew parish Community). Our Lent Journals are keeping us on track and checking our progress of the promises we made for Lent. We began talking about all of the important events that lead us up to Easter Sunday. **The memorization of the Stations of the Cross will be our focus for March/April (Due: April 30th). There are quite a few stations, so there is ample time for students to successfully memorize!** If you have any further questions, please contact me. msheehan@saintmatt.org.

Science: Students continued working with animal groups and practiced identifying important traits that help classify different animals.

Upcoming Events/ Reinders

Monday: 1:00pm dismissal

Tuesday: Fund-a-friend; \$2 donation- wear green

Wednesday: Honor Roll Mass

3/20-3/27: NO School-spring Break!

Social Studies

This week in social studies, students engaged in great discussions about ways they could improve their neighborhoods, schools, and city. They also explored how citizens can take action to help bring about positive changes in their communities. Students all did an excellent job on their President Project and should be very proud of their hard work!
