

# Jumpin' for Jack's Class News

March 2-6

## From Ms. Jack

We had a great week kicking off March in third grade! We had a morning meeting complementing and encouraging one another. Students also did a leprechaun math activity as well as used their names to make a fraction rainbow.

## Our Learning This Week

**Reading:** Students continued reading *Who Was Jackie Robinson?* And learning about his impact on history. We practice making connections between past and present events while strengthening reading comprehension. Students also used context clues to help them better understand the text and answer questions.

**Math:** We reviewed area this week to prepare for the test. Students had real-world practice by measuring area of objects at school and home. We are beginning a new unit next week!

**Religion:** This week we focused on week #3 of Lent. We spent part of Thursday's class in Adoration (thank you to our St. Matthew parish Community. Our Lent Journals are keeping us on track and checking our progress of the promises we made for Lent. **The memorization of the Stations of the Cross will be our focus for March/April (Due: April 30th). There are quite a few stations, so there is ample time for students to successfully memorize!** If you have any further questions, please contact me. [msheehan@saintmatt.org](mailto:msheehan@saintmatt.org).

**Science:** Students explored how scientists classify animals by their similarities and differences. We discussed different characteristics animals have and began learning how they can be grouped based on those traits.

## Upcoming Events/Important Reminders

**3/9-3/13 Canned food & coloring book/crayon drive**

**3/16 1:00pm dismissal**

**3/17 Fund-a-Friend**

**3/20-3/27 Spring Break**

## Social Studies

This week students enjoyed going more in depth while learning about state and local governments and discussing the essential question: How are people governed? Students also completed a worksheet where they shared what they would do if they were in the role of president. Next week students will be presenting an interesting fact they learned about their president from the president project!
