What is the National Catholic Youth Conference?

The National Catholic Youth Conference is the celebration of Catholic youth in the United States. NCYC is organized by the National Federation for Catholic Youth Ministry (NFCYM), which is composed of diocesan leaders and collaborating members from across the United States. This conference typically draws thousands of young people and adults from all over the country. NCYC includes a wide variety of opportunities for our young people to encounter Christ and His Church.

There are normally five general sessions featuring nationally known speakers, one each morning and night, as well as a Saturday evening Mass. In between the general sessions are breakout sessions and the chance to visit the thematic village to interact with Catholic vendors and have fun. Eucharistic adoration and reconciliation are also important parts of the NCYC experience.
