

# MARCH MONTHLY UPDATE

GREAT PLAINS LUTHERAN HIGH SCHOOL

## WHY GPLHS?

*Do you ever wonder what it's like to send a child to Great Plains Lutheran when you live a hundred miles away (or more)? What goes through a parent's mind? How tough is it to make the decision? How hard is it to say goodbye each time your child heads back to school?*

*Why do it? Why choose GPLHS?*

**I encourage** you to listen to what Craig and Kristin Heil have to say. They've been there. They've done that. And they are still doing it today. Craig and Kristin can tell you, better than I, what it's like to have children at GPL – away from home. Listen in to the parent reflections video ([click the link](#)) as they talk about Why GPLHS?

This message isn't just for parents of grade school students. Whether you are a parent or someone who supports GPL in other ways, this is a first-hand look at why we do what we do.

Our goal is that the ministry of Great Plains Lutheran High School always be another way God's people do all to the glory of God.

Thank you for being partners in this ministry. ~Rev. David Maertz
