

# DECEMBER MONTHLY UPDATE

GREAT PLAINS LUTHERAN HIGH SCHOOL

## MOMENTOUS DECISION

On Saturday, November 2, the Great Plains Lutheran High School Association delegates unanimously approved the board of directors' recommendation to complete all the components of our facility expansion plan. Praise the Lord! This means we will move forward with plans to construct:

- a fine arts addition which will include space for worship, concerts, performances, rehearsals, lessons, and fine arts storage
- a classroom addition which will provide the classrooms we need now and into the foreseeable future
- an auxiliary gym which will relieve scheduling tension and provide new utilization opportunities
- a link to the auxiliary gym which will contain a new kitchen and dining area

Even as we pause to thank God and his people for all that has been accomplished, we also know there is much work to be done to bring this plan to completion. This is work we look forward to with great eagerness and anticipation! It includes:

- Forming a building committee and meeting with our architect/builder
- Developing construction documents and setting a construction timeline
- Working out the details to borrow needed funds
- Continuing to invite and encourage the gifts that will bring this project to completion

Your ongoing prayers and support are greatly appreciated.
