

# WEEKLY UPDATE

GREAT PLAINS LUTHERAN HIGH SCHOOL

## PreACT Results

This past October the freshmen took the PreACT 8/9 and the sophomores took the PreACT. These tests help us measure students' academic aptitude and preparedness for college. They also give students experience taking tests very much like the actual ACT. Students' results will be mailed to parents in the near future. Mr. Bauer went through students' results with them at school as well. [THIS GUIDE](#) may be helpful to parents in interpreting results. Please let Mr. Bauer know if any questions come to mind.
