

JANUARY MONTHLY UPDATE

GREAT PLAINS LUTHERAN HIGH SCHOOL

Building Update

God continues to bless our facility expansion. Crews are pushing forward with our new kitchen and dining commons, the canopy that will enhance our main school entrance, and the interior framing of the auditorium and music room. Site work has been completed for the auxiliary gym and the structural steel for the gym will go up this month.

Although we hoped to be using the new kitchen and dining area at the start of the school year, delays in delivery of some materials and equipment have made it necessary to push back occupancy of those areas. We now hope to be using them as we start the second semester. It is likely we will be making use of our new auditorium in semester 2, and the auxiliary gym is slated to be completed by the end of May.

Please join us in praising God for past blessings and praying for future progress.
