

NOVEMBER MONTHLY UPDATE

GREAT PLAINS LUTHERAN HIGH SCHOOL

Fall Activities Update

The GPL student body was well represented in the many fall activities that are offered here at school. The marching band and color guard were 67 strong as they performed in 2 competitions this fall. The oral interp team staged 24 participants with much success. 31 young women made up the JV and Varsity volleyball teams plus 2 managers for a total of 33 participants. The Panther cross country runners consisted of 21 boys and girls all total. Football rounded out the activities for the season fielding a team of 27 with 3 managers for a total of 30 participating. While some of these are students who participate in multiple activities, these numbers represent an active student body using their talents to God's glory.
