NEW YEAR – NEW OPPORTUNITIES

What an amazing time of year this is! First, we have the opportunity to remember and celebrate the birth of Jesus, our Savior. Then, just a week later, we get to remember all that God did in the past year, while we look ahead in joyful anticipation to all that He will graciously do in the year to come.

As we consider the past year, we remember the many opportunities made realities by God: A larger student body, ECC Track and Volleyball champs, a balanced budget, Solo-Ensemble and OI state honors, delegate approval of a facility expansion, and so many more. Wow! Yet these are simply icing on the cake realities. The greatest blessings are those often not seen: God continuing to powerfully work in hearts and lives through the gospel promises and truths of His Word.

This coming year contains even more opportunities waiting to become realities in Christ Jesus. So this is a year into which we move forward with confidence, peace and joy.

One of these opportunities is God's people continuing to grow in the grace of Christian giving. The gifts of our supporters are as vital to this ministry as they have ever been. We are confident that God's people will see and seize new opportunities to support this ministry as they reflect on all that God has done for them.

New Year - New Opportunities! May we ever rejoice in the salvation Jesus won so that we do all we can to see God's kingdom come at GPLHS. There are always opportunities in Jesus. Amen.
