

WEEKLY UPDATE

GREAT PLAINS LUTHERAN HIGH SCHOOL

Important Events on December 4

We will be having three important events on Sunday, December 4 - a College Financial Aid Seminar (1:00pm), our annual Christmas Concert (3:00pm), and our Fall Awards Ceremony (4:30pm). We have adjusted how we approach this day over the years for various reasons and have learned there is no solution that is perfect for everyone. We need to have the concert late enough for people who travel to GPL after church on Sunday morning, but we need to have it early enough for people to travel home after the awards ceremony. This approach to the day's schedule worked well last year and so we are using it again this year. Please note that a meal will not be served in conjunction with the awards ceremony. The concert and awards ceremony will be live streamed.
