

# APRIL MONTHLY UPDATE

GREAT PLAINS LUTHERAN HIGH SCHOOL

## GPL25 CELEBRATION POSTPONED

*We wrapped up our last anniversary event for this year with the grade school basketball tournament.*

*With the ultimate goal of celebrating the ministry of GPLHS to God's glory with all who would like to attend, the GPL25 committee has decided **that** our 25th anniversary celebration weekend will be postponed until the summer of 2022.*

After careful consideration, the new timing will give us the opportunity to celebrate not only 25 years of ministry but also the completion of a building project many years in the making.

We are so excited to share all of these blessings of God with you and look forward to hosting you on campus **July 29 and 30 in the summer of 2022**. Look for more information and details throughout the next year such as save the date announcements and the celebration invitation and RSVP.
