Trunk or Treat Candy Donations

Our Student Council will be hosting its fourth annual Trunk or Treat event on Friday, October 28 from 6:30-8:00pm. This event brings many people onto our campus which gives us the opportunity to share GPL with them. It takes a lot of candy to send children home smiling, and we ask you to consider donating unopened bags of candy. They can be brought to the office between now and October 28. Thank you for considering supporting our Trunk or Treat event in this way!
