

DECEMBER MONTHLY UPDATE

GREAT PLAINS LUTHERAN HIGH SCHOOL

MA INPUT

"The older I get the faster each year flies by." We're all familiar with this concept. As we move on in years we personally understand the reality of this concept more and more.

This year has flown by at GPLHS as well. It seems like we just opened our doors to the beginning of the 2019-20 school year and now we're well into the second half of the First Semester already.

The same is also true of the first half of the 2019-20 fiscal year. Where has the year gone? The sixth month is nearly upon us and much has been accomplished. Yet there still is so much more to be done.

The Mission Advancement portion of the GPL Ministry Plan comes in at \$934,000 this fiscal year. As of the end of October, the Lord has moved the hearts of his people to offer nearly \$195,000. By the end of December we annually work toward encouraging God's people to offer support totaling 60% of the current year's Ministry Plan - this year totaling nearly \$560,000.

The Lord has greatly blessed us this year. The year is quickly flying by and there is still much to be done. Yet from a financial standpoint, the Lord has enabled his people to support the GPL ministry at a higher level than we were at a year ago. Our prayer is that God will continue to move His people by the gospel to respond with their support of this Christ-centered ministry.

Rev. Paul Lindhorst
