

## WEEKLY UPDATE

GREAT PLAINS LUTHERAN HIGH SCHOOL

### BASKETBALL PANTHER WEAR

A new line of Panthers Basketball apparel is now available to EVERYONE. We desire that boys and girls basketball players get the full zip jacket to be worn on game days, especially when we travel in the winter cold. Generous donations are allowing us to get the pants for all the girls. The girls pants order will be placed by Coach Bauer; he will be getting sizes from the girls. Girls need to order the jacket on their own. The online store is linked below.

Please note that items listed as men's are intended to be unisex. Items listed as women's are specifically cut for women. We have a sample of the full zip jacket in the office for sizing purposes. It runs big. The order deadline is November 10. Players (especially underclassmen) are cautioned about adding their number to their apparel since it may change during their years of playing. Coaches Bauer and Haugly are happy to answer any questions you may have. GO PANTHERS!
