

JULY MONTHLY UPDATE

GREAT PLAINS LUTHERAN HIGH SCHOOL

United in Praise Campaign

When it was established, our facility expansion plan included borrowing up to \$2.5 million. In June we finalized the loan for this construction, borrowing \$1.9 million. We are truly grateful for all the gifts that enabled us to borrow significantly less than what was approved!

The focus of our *Bridging the Gap* effort will now shift to making additional principal payments, thus shortening the time we make mortgage payments and decreasing the amount of interest we pay. We have a 25- year loan, with ten years at a fixed rate of 3.25%. Our goal is, therefore, to pay off the loan within the 10-year fixed rate period.

The focus of our *Finishing Touches* effort has shifted to equipping and furnishing the auxiliary gym. This includes things like basketball and volleyball equipment, score table, team chairs, bleachers, and a basic sound system.

- Online *Finishing Touches* gifts can be made at bidpal.net/finishingtouches.
- Online *Bridging the Gap* gifts can be made at bit.ly/gplsupport.

Thank you for all the support that has made this progress possible!
