

WEEKLY UPDATE

GREAT PLAINS LUTHERAN HIGH SCHOOL

WILL YOUR CHILD NEED A TUTOR THIS YEAR?

*GPL will continue two tutoring programs this year. One is a peer tutoring program, where a (usually older) student with suitable gifts would help your student with classwork and studying for tests. See Mrs. Jaeger or e-mail her at jjaeager@gplhs.org if you would like your child to **receive** peer tutoring in a certain subject.*

The other tutoring program utilizes adults/GPL graduates and is a pay-as-you-go program. Tutoring from one of these individuals would cost \$30 for the initial half-hour session, which also covers the tutor's need to review the subject matter, meet with the teacher, and figure out a 'game plan', then \$10 for 30 minutes/\$20 an hour after that. Tutoring sessions will be at school or in the dorm (even for town students) and will be scheduled at the tutor and student's convenience.

If you think your child would be a good tutor, please let Mrs. Jaeger know. She will be looking for tutors for all subjects in the next weeks.
