

NOVEMBER MONTHLY UPDATE

GREAT PLAINS LUTHERAN HIGH SCHOOL

FALL ACTIVITIES UPDATE

The GPL student body was well represented in the many fall activities that are offered here at school. The marching band and color guard were 51 strong as they performed in 2 competitions this fall. The oral interp team staged 24 participants with much success. 22 young women made up the JV and Varsity volleyball teams plus 2 managers for a total of 24 participants. The Panther cross country runners consisted of 20 boys and girls all total. The chess team attended their first match of the school year with 14 participants. Football rounded out the activities for the season fielding a team of 25 with 2 managers for a total of 27 participating. While some of these are students who participate in multiple activities, these numbers represent an extremely active student body using their talents to God's glory.
