

SEPTEMBER MONTHLY UPDATE

GREAT PLAINS LUTHERAN HIGH SCHOOL

Mission Advancement Update

I feel “Courageous in Christ” is a great theme for us to focus on as GPL works to help our students and families courageously live their faith. It is also an opportunity for us to courageously meet the challenges placed before us.

Right now we are blessed with a financial opportunity to show our courage in Christ. This gives us a chance to ask God to help us take this opportunity and meet it with the strength and courage that comes from our faith in Christ Jesus.

So far this fiscal year our budgeted need for gifted income is \$81,000. We have been blessed to receive \$68,000, leaving a shortfall of \$13,000. This opportunity would be much greater if we had not received a gift of \$50,000 from GSI Thrift. We are blessed to have an opportunity to diligently pray for the courage to meet this challenge by giving additional gifts to the ministry of GPLHS. May God bless your prayers as you consider giving gifts to this important ministry.

I am willing to discuss ways for you to take advantage of this opportunity by helping you share your gifts effectively and efficiently. Please feel free to contact me if you have any questions about this opportunity.
