

2020 ANNUAL VIRTUAL CONFERENCE

Together

Come Together for Northern California's Premiere Conference

Saturday, October 24, 2020

8:30am – 1:00pm

RSVP by October 12, 2020

You will have the opportunity to view the online conference from the comfort of your home, explore the virtual exhibit hall, participate in the movement breaks, enter a contest for great prizes, receive an electronic vendor roster, learn more about Parkinson's disease from renowned speakers and have exclusive access to the PANC ParkinsonWISE video.

Anyone affected by Parkinson's disease is invited to attend: persons with Parkinson's disease, care partners, family, friends, medical professionals, support and resource providers will benefit from this conference.

Registration is \$10 per person and includes live access to the broadcast and exhibit hall. Additionally, the printed conference program, a PANC wrist band, and the book *Shaky Hands - A Kids Guide to Parkinson's Disease* by the keynote speaker will be mailed to registrants in advance.
